(Amended October 1986)

**RULES OF PROCEDURE**

**RULE 1. CONVENING OF MEETINGS**

1.1 The regular meeting day of the Select Committee on Intelligence for the transaction of committee business shall be every other Wednesday of each month, unless otherwise directed by the chairman.

1.2 The chairman shall have authority, upon proper notice, to call such additional meetings of the committee as he may deem necessary and may delegate such authority to any other member of the committee.

1.3 A special meeting of the committee may be called at any time upon the written request of five or more members of the committee filed with the clerk of the committee.

1.4 In the case of any meeting of the committee, other than a regularly scheduled meeting, the clerk of the committee shall notify every member of the committee of the time and place of the meeting and shall give reasonable notice which, except in extraordinary circumstances, shall be at least 24 hours in advance of any meeting held in Washington, DC, and at least 48 hours in the case of any meeting held outside Washington, DC.

1.5 If five members of the committee have made a request in writing to the chairman to call a meeting of the committee, and the chairman fails to call such a meeting within seven calendar days thereafter, including the day on which the written notice is submitted, these members may call a meeting by filing a written notice with the clerk of the committee who shall promptly notify each member of the committee in writing of the date and time of the meeting.

**RULE 2. MEETING PROCEDURES**

2.1 Meetings of the committee shall be open to the public except as provided in Senate Resolution 9, 94th Congress, 1st session.

2.2 It shall be the duty of the staff director to keep or cause to be kept a record of all committee proceedings.

2.3 The chairman of the committee, or if the chairman is not present the vice chairman, shall preside over all meetings of the committee. In the absence of the chairman and the vice chairman at any meeting the ranking majority member, or if no majority member is present the ranking minority member present shall preside.

2.4 Except as otherwise provided in these rules, decisions of the committee shall be by majority vote of the members present and voting. A quorum for the transaction of committee business, including the conduct of executive sessions, shall consist of five committee members, except that for the purpose of hearing witnesses, taking sworn testimony, and receiving evidence under oath, a quorum may consist of one Senator.

2.5 A vote by any member of the committee with respect to any measure or matter being considered by the committee may be cast by proxy if the proxy authorization (1) is in writing; (2) designates the member of the committee who is to exercise the proxy; and (3) is limited to a specific measure or matter and any amendments pertaining thereto. Proxies shall not be considered for the establishment of a quorum.

2.6 Whenever the committee by roll call vote reports any measure or matter, the report of the committee upon such measure or matter shall include a tabulation of the votes cast in favor of and the votes cast in opposition to such measure or matter by each member of the committee.

**RULE 3. SUBCOMMITTEES**

Creation of subcommittees shall be by majority vote of the committee. Subcommittees shall deal with such legislation and oversight of programs and policies as the committee may direct. The subcommittees shall be governed by the rules of the committee and by such other rules they may adopt which are consistent with the rules of the committee.

**RULE 4. REPORTING OF MEASURES OR RECOMMENDATIONS**

4.1 No measures or recommendations shall be reported, favorably or unfavorably, from the committee unless a majority of the committee is actually present and a majority concur.

4.2 In any case in which the committee is unable to reach a unanimous decision, separate views or reports may be presented by any member or members of the committee.

4.3 A member of the committee who gives notice of his intention to file supplemental, minority, or additional views at the time of final committee approval of a measure or matter, shall be entitled to not less than three working days in which to file such views, in writing with the clerk of the committee. Such views shall then be included in the committee report and printed in the same volume, as a part thereof, and their inclusion shall be noted on the cover of the report.

**RULE 5. NOMINATIONS**

5.1 Unless otherwise ordered by the committee, nominations referred to the committee shall be held for at least 14 days before being voted on by the committee.

5.2 Each member of the committee shall be promptly furnished a copy of all nominations referred to the committee.

5.3 Nominees who are invited to appear before the committee shall be heard in public session, except as provided in rule 2.1.

5.4 No confirmation hearing shall be held sooner than seven days after receipt of the background and financial disclosure statement unless the time limit is waived by a majority vote of the committee.

5.5 The committee vote on a confirmation shall not be sooner than 48 hours after the committee has received transcripts of the confirmation hearing unless the time limit is waived by unanimous consent of the committee.

5.6 No nomination shall be reported to the Senate unless the nominee has filed a background and financial disclosure statement with the committee.

**RULE 6. INVESTIGATIONS**

No investigation shall be initiated by the committee unless at least five members of the committee have specifically requested the chairman or the vice chairman to authorize such an investigation. Authorized investigations may be conducted by members of the committee and/or by designated committee staff members.

Subpoenas authorized by the committee for the attendance of witnesses or the production of memoranda, documents, records or any other material may be issued by the chairman, and may be served by any person designated by the chairman, the vice chairman, or any member of the committee designated by the chairman, vice chairman or member issuing the subpoena. Each subpoena shall have attached thereto a copy of Senate Resolution 400, 94th Congress, 2d session, and a copy of these rules.

**RULE 8. PROCEDURES RELATED TO THE TAKING OF TESTIMONY**

8.1 **Notice.**—Witnesses required to appear before the committee shall be given reasonable notice and all witnesses shall be furnished a copy of these Rules.

8.2 **Oath or Affirmation.**—Testimony of witnesses shall be given under oath or affirmation which may be administered by any member of the committee.

8.3 **Interrogation.**—Committee interrogation shall be conducted by members of the committee and such committee staff as are authorized by the chairman, vice chairman, or the presiding member.

8.4 **Counsel for the witness.**—(a) Any witness may be accompanied by counsel. A witness who is unable to obtain counsel may inform the committee of such fact. If the witness informs the committee of this fact at least 24 hours prior to his appearance before the committee the committee shall then endeavor to obtain voluntary counsel for the witness. Failure to obtain such counsel will not excuse the witness from appearing and testifying.

(b) Counsel shall conduct themselves in an ethical and professional manner. Failure to do so shall, upon a finding to that effect by a majority of the members present, subject such counsel to disciplinary action which may include warnings, censure, removal, or a recommendation of contempt proceedings.

(c) There shall be no direct or cross-examination by counsel. However, counsel may submit in writing any question he wishes propounded to his client or to any other witness and may, at the conclusion of his client's testimony, suggest the presentation of other evidence or the calling of other witnesses. The committee may use such questions and dispose of such suggestions as it deems appropriate.

8.5 **Statement by Witnesses.**—A witness may make a statement which shall be brief and relevant, at the beginning and conclusion of his testimony. Such statements shall not exceed a reasonable period of time as determined by the chairman, or other presiding member. Any witness desiring to make a prepared or written statement for the record of the proceedings shall file a copy with the clerk of the committee, and insofar as practicable and consistent with the notice given, shall do so at least 72 hours in advance of his appearance before the committee.

8.6 **Objections and Rulings.**—Any objection raised by a witness or counsel shall be ruled upon by the chairman or other presiding member, and such ruling shall be the ruling of the committee unless a majority of the committee present overrules the ruling of the chair.

8.7 **Inspection and Correction.**—All witnesses testifying before the committee shall be given a reasonable opportunity to inspect, in the office of the committee, the transcript of their testimony to determine whether such testimony was correctly transcribed. The witness may be accompanied by counsel. Any corrections the witness desires to make in the transcript shall be submitted in writing to the committee within 5 days from the date when the transcript was made available to the witness. Corrections shall be limited to grammar and minor editing, and may not be made to change the substance of the testimony. Any questions arising with respect to such corrections shall be decided by the chairman. Upon request, those parts of testimony given by a witness in executive session which are subsequently quoted or made part of a public record shall be made available to that witness at his expense.

**8.7 Requests to Testify.**—The committee consider requests to testify on any measure pending before the committee. A person who believes that testimony or other evidence presented at a public hearing, or any comment made by a committee member or a member of the committee staff may tend to affect adversely his reputation, may request to appear personally before the committee to testify on his own behalf, or may file a sworn statement of facts relevant to the testimony, evidence, or comment, or may submit to the chairman proposed questions in writing for the cross-examination of other witnesses. The committee shall take such action as it deems appropriate.

**8.8 Contempt Procedure.**—No recommendation that a person be cited for contempt of Congress shall be forwarded to the Senate unless and until the committee has, upon notice to all its members, met and considered the alleged contempt, afforded the person an opportunity to state in writing or in person why he should not be held in contempt, and agreed, by majority vote of the committee to forward such recommendation to the Senate.

**8.10 Release of Name of Witness.**—Unless authorized by the chairman, the name of any witness scheduled to be heard by the committee shall not be released prior to, or after, his appearance before the committee.

SELECT COMMITTEE ON INTELLIGENCE  
 WASHINGTON, DC 20510

November 28, 1986

The President  
 The White House  
 Washington, D.C. 20500

Dear Mr. President:

The recent disclosures regarding provision of arms to Iran and funding of support for anti-Sandinista forces in Central America have, as you stated on November 25th, raised serious questions of propriety. We appreciate your Administration's offer to cooperate with the Senate Select Committee on Intelligence in looking into this matter.

The Select Committee has formally initiated an investigation to determine the extent of and authorization for U.S. intelligence activities in connection with the sale of arms to Iran and use of the proceeds to support anti-Sandinista forces in Central America. The Committee will consider, if appropriate, changes in laws and regulations or in the organization and mission of components of the U.S. government regarding intelligence activities and notification of the Congress. The investigation encompasses all officials and entities of the U.S. government involved in intelligence activities, including the National Security Council and its staff. Our inquiry will focus on laws and regulations normally enforceable by internal and external oversight.

We look forward to your cooperation to ensure that the Executive branch makes available promptly the necessary witnesses, documents, and other information. In particular, the Committee requests that no documents or other materials that may relate directly or indirectly to this investigation be destroyed or otherwise removed from custody of the U.S. government until the inquiry is completed. The Committee asks that Executive branch personnel, including employees of the NSC and persons acting at their direction, be permitted to testify under oath in this investigation. The Committee

The President

further requests that all relevant components of the Executive branch provide access to their personnel and records for the purpose of this investigation. Certain materials may be subpoenaed.

We want to assure you that, as provided in Senate Resolution 400, 94th Congress, and Section 501 of the National Security Act of 1947, the Committee will protect from unauthorized disclosure all classified information obtained in this investigation. The Committee recognizes fully the importance of protecting sensitive intelligence sources and methods. We believe an expeditious investigation by this Committee is the best way to protect national security interests while responding to legitimate concerns of the Senate and the American people.

We hope that our investigation will help bring the Executive branch and the Congress closer together in our common efforts to serve the interests of our Nation.

Sincerely,

Dave Durenberger  
Chairman

Patrick Leahy  
Vice Chairman
